You will **not** receive a refund if you have made a claim, or intend to make a claim, under the insurance policy.

Terrorism

This policy excludes cover as a result of terrorism.

In the event that property damage and/or property owners liability occur linked to an event declared a terrorism incident by the responsible Minister, then you may be afforded protection within the limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003. The operations of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the Terrorism Insurance Act 2003 can be obtained at www.arpc.gov.au.

Costs

The premium payable by you is shown in your Certificate of Insurance. The factors used to determine the premium payable under this policy include:

- the main occupation of the insured;
- the construction, age, location and occupancy of the business premises;
- the nature of the property or equipment to be insured;
- the annual income of the business insured and the indemnity period (where loss of trading income insurance is required);
- the physical protection and other loss minimization features;
- the sections of the policy selected;
- the extent of cover required and the sums insured or limits of liability;
- the excess selected;
- the period of insurance (short-term/annual);
- past claims/incidents history.

The premium is payable either when the product is purchased or by direct bank debit when you elect to pay it monthly. If you elect to pay monthly there is an additional fee. A cancellation fee may apply if you cancel your insurance policy before expiry.

Premiums and fees are subject to Commonwealth and State taxes and levies which include the Goods and Services Tax and Stamp Duty, if applicable to your state. All are shown on your Certificate of Insurance.

General conditions

Additional parties

Where this policy insures more than one separate legal entity or person, it shall apply to each party in the same manner as if a separate policy had been issued to each of them, provided that in so doing, our limit of liability shown in the certificate of insurance in respect of any one occurrence and any aggregate limit of liability for the period of cover, shall not be increased.

Any failure by any party to:

- comply with the duty of disclosure in terms of the Insurance Contracts Act 1984; or
- comply with any obligation in terms of this policy; or
- refrain from conduct which is dishonest, fraudulent, criminal or malicious

shall not prejudice the right of the remaining party or parties to indemnity under this policy provided that such remaining party or parties shall not have had prior knowledge of any such failure and/or non compliance and shall as soon as practicable after becoming aware of any such failure, advise us in writing of all relevant circumstances.

We agree to waive all rights of subrogation or action which we may be entitled to against any insured party under this policy.

Adjustment of premium

Where this policy or any section is arranged on an adjustable basis, you must keep accurate records and make declarations to us so that the necessary adjustment of premium may be applied, subject to us retaining our minimum premium.

Cancellation

You may cancel this insurance policy at any time by notifying us in writing. You may be required to pay a cancellation fee if you cancel the insurance policy mid-term.

We can cancel this insurance policy in accordance with the Insurance Contracts Act 1984. We will be entitled to retain premium for the period during which the insurance policy has been in force.

Changes

This Policy might not operate if there should be any change in the facts or circumstances existing when this insurance commenced, unless you notified us in writing and we agree in writing to the change.

You must tell us as soon as possible if any significant or material changes occur to your property or liability insured, including any changes to your operations which increase the risk of loss, damage or injury.

Credit provider's rights

If a credit provider has an interest in any of your property, we may make a payment direct to the credit provider instead of to you in settlement of any claim.

Discharge of liabilities

We may at any time pay you in respect of all claims against you arising directly or indirectly from one source or original cause the amount of the applicable sum insured for the applicable section of this policy, or such other amount specified as the limit of indemnity (after deduction of any amounts already paid by us which would reduce the amount of our unfulfilled liability) or any lesser amount for which the claim or claims can be settled. Upon such payment, we shall relinquish conduct or control of and be under no further liability under the policy in connection with such claim or claims, except for the costs, charges and expenses recoverable from you in respect of the period prior to the date of such payment (whether or not pursuant to an order made subsequently) or incurred by us or by you with our written consent prior to the date of such payment.

Excess

Your financial contribution to each and every claim under this policy is known as the 'excess'. The excess amount that you will have to pay when you lodge a claim is shown in your certificate of insurance or in the section of the policy under which the claim is being made. If you suffer damage which leads to a claim under more than one section of this policy, the highest applicable excess is payable. The limit of liability or sum insured is reduced by the amount of the excess.

Limit of liability

The cover we provide under this policy in respect of an occurrence shall not exceed the sum insured or applicable limit of liability shown in the certificate of insurance.

Our total liability during any one period of insurance for all claims arising out of products liability under the public and products liability section shall not exceed the respective limit of liability shown in the certificate of insurance.

Monthly instalments

You may pay your premium by monthly instalments direct from a financial institution or from your credit card. However, if any monthly instalment is dishonoured by your financial institution this policy may not operate. We may refuse to pay a claim in whole or in part if, at the date of loss, any monthly instalment has remained unpaid for at least 14 days, unless we have agreed otherwise in writing.

If you have a total loss or we settle your claim by paying the full sum insured under any section of this policy, we will deduct outstanding instalments for that section from the amount we pay you.

Should the financial institution holding your account return or dishonour a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

Misrepresentation

This Policy may be voidable in the event of you making a fraudulent representation or non-disclosure of any material fact.

You may give any notice under this policy to us at any of our offices in Australia.

Subrogation

Subject to the provisions of the Contract Act 1984, we have the right to recover or obtain relief from any person against whom you may be liable to claim and we shall have full discretion in the conduct, defence or settlement of any claim, and to take action in your name. You and any other person entitled to indemnity under this Policy must not hinder these rights and must give all such information and cooperation as we require.
